 CHARLES S. JOHNSON
 SECURITY MATTER - C

The Bureau is in receipt of a newspaper captioned, "Festival," allegedly a newspaper of the International Preparatory Committee of the 5th World Festival of Youth and Students for Peace and Friendship to be held in Warsaw, Poland, from July 31, to August 14, 1955. This festival is sponsored by the World Federation of Democratic Youth which is an international Communist front organization, a citation of which appears in the Guide to Subversive Organizations and Publications published by the House Committee on Un-American Activities. On page 3 of this newspaper under the heading "Charles S. Johnson, Nashville University, U.S.A." appears the following which apparently is an excerpt from a letter received from Johnson: "...I believe it would be useful for our students to have information regarding the 5th World Festival of Youth and Students. Until now we have not taken part but we are now very interested not only in the development of the youth, but also in the friendship of all young people of the world."

Bureau indices have been searched for any identifiable data concerning captioned individual. Bufiles reflect one Charles S. Johnson of Fiske University, Nashville, Tennessee, who probably is identical with the Charles S. Johnson who communicated with the above organization. Bufiles reflect information received from the United States Army, Fourth Area, Atlanta, Georgia, under date of August 19, 1943. G2 advised that information had been received that a colored officer had been solicited by Charles S. Johnson of the Department of Social Science, Fiske University, for information on transportation difficulties experienced by Negro troops such as "purchasing of tickets, seating

accommodations on carriers, dining car and lunch room service, undue delays in starting or at arrival, indignities and humiliations suffered at the hands of transportation personnel or civilians and other related items." G2 reported that it had been determined that Johnson had been active in organizations advocating racial equality. He allegedly was a member of the Advisory Board for the Southern Negro Youth Congress. He sponsored the second meeting of the Southern Conference for Human Welfare in April, 1940, at Chattanooga, Tennessee, and also sponsored the third meeting of this organization at Nashville, Tennessee, in April, 1942. Johnson allegedly assisted in the organization of the Southern Conference on Race Relations, the first meeting of which was held at the North Carolina College for Negroes, Durham, North Carolina, October 22, 1942. The purposes of this conference have been described as being "to find a common denominator for the use of liberal whites and Negroes of the South in their efforts to bring about a better relationship between races and to write a new charter on a national basis which would be fraternal and scientific as a starting point in race relations during this war and the period to follow." It is noted that the original source of the above information received from G2 is unknown.

Bufiles reflect a request for loyalty data dated February 21, 1952, was received at the Bureau from Civil Service Commission on behalf of the National Security Resources Board, Washington, D. C., on one Charles S. Johnson. This individual was listed as then employed at Fiske University, Nashville, Tennessee, and had been so employed since 1928. This form reflects Johnson was born in Bristol, Virginia, on July 24, 1893, and was married to Marie A. Burgette who was born November 20, 1894, in Milwaukee, Wisconsin. Johnson was then residing at 1700 Meharry Boulevard, Nashville, Tennessee. He listed the following organizations of

which he was a member: American Sociological Society; American Social Hygiene Association; National Urban League; National Manpower Council; U.N.E.S.C.O. (U. S. National Commission); and Board of Foreign Scholarships.

Bureau files also reflect that one Charles Spurgeon Johnson, also probably identical with the above individual, was the subject of an investigation captioned, "Special Inquiry - State Department, Public Law 402, 80th Congress, Voice of America." Enclosed for your information are copies of 19 investigative reports submitted during the course of this inquiry. NO LOC

The above data is submitted for your information and the completion of your files. You should review the material forwarded to you as well as information contained in your office files concerning captioned individual and thereafter be guided by current Bureau instructions pertaining to security investigations.

Our files reflect receipt of a newspaper entitled, "Festival," dated February 15, 1955, which appears to have been published by the International Preparatory Committee of the Fifth World Festival of Youth and Students for Peace and Friendship which was scheduled to be held in Warsaw, Poland, from July 31, 1955, through August 14, 1955. This paper reflects the address of the International Preparatory Committee as Grojecka 17, Warsaw, Poland.

Page three, column one, sets forth what purports to be a part of a letter written by "Charles S. Johnson, Nashville University, USA." This letter is quoted as follows:

"I believe it would be useful for our students to have information regarding the Fifth World Festival of Youth and Students. Until now we have not taken part but we are now very interested not only in the development of the youth, but also in the friendship of all young people of the world."

It is noted that applicant's United Nations Loyalty form shows employment at Fisk University, Nashville, Tennessee.

(100-233741-2 & 100-185087-1442)

The above newspaper indicates that this festival may be sponsored by the World Federation of Democratic Youth. This organization has been cited by the House Committee on Un-American Activities as follows:

"The AYD (American Youth for Democracy) is affiliated with the World Federation of Democratic Youth which was founded in London in November, 1945, by delegates from over fifty nations.... From the outset the World Federation of Democratic Youth demonstrated that it was far more interested in serving as a pressure group in behalf of Soviet foreign policy than it was in the specific problems of international youth.... So strong was the Communist domination at the London conference that it aroused the deepest concern of the English bishops."

121-37059 - 2

Letter to [redacted]

[redacted] Investigations Division

It is also cited by the House Committee on Un-American Activities "as one of the 'long established Soviet-controlled international organizations' which 'speak identical lines of propaganda and stand together on all phases of Soviet foreign policy' and which has 'affiliated organizations in the United States, which consequently have also been turned into instruments in the peace campaign.'"

Since it appears that Mr. Johnson is being considered for employment for a period of less than ninety days, and since the Commission is in possession of this Bureau's reports of investigation, further investigation will not be conducted under the United Nations loyalty program in the absence of a specific request from you.

The above is submitted for your information and should not be disseminated to unauthorized persons or agencies.

[redacted] said that he later saw a copy of "Cavalcade", a magazine published by the SNYC and noticed that his name was listed as a member of the National Council of that organization. He stated he recalls, among several other names listed, the name of CHARLES S. JOHNSON of Fisk University. He said that he definitely recalls that JOHNSON was interested in the SNYC and was considered on the National Council, although as far as he, [redacted] recalls, the National Council did not have any group meetings. [redacted] stated that in his opinion the names on the National Council were used as "bait" to secure other members for the SNYC. He stated at the time he was interested in the SNYC he did not know there were any Communists in the organization, but he later learned that several of the leading members of this group were believed to be Communists.

[redacted] advised he did not know applicant personally and did not attend any meetings with him.

Confidential Informant [redacted] of known reliability, and a former member of the Communist Party of Alabama, advised that he recalls applicant was listed as a member and possibly an official in an advisory capacity to the SNYC. [redacted] said he has known of applicant for many years as a professor at Fisk University at Nashville, Tennessee, and that applicant asked him, [redacted] several years ago to make a speech to the student body at Fisk University. [redacted] said applicant so far as he knew was not a member of the Communist Party.

The Southern Negro Youth Congress comes within the purview of the Executive Order 9835.
