FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times".

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, CP, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On September 12, 1961, the latest issue of "Freedomways", which is the summer 1961 issue, is self described as "a quarterly review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City. Page 151 of this issue comments that they are planning a discussion on "Negro leadership and organizations" in the next issue of "Freedomways". The article comments that one of those who will prepare articles for this forthcoming issue is JOHN HENRIK CLARKE.

A documentation of Freedomways Associates, Incorporated appears in the appendix of this report.

On September 18, 1961, NY T-2 advised that he had learned from a source, whom he declined to identify but whom he considers to be reliable, that CLARKE was then away from New York City but was expected to return the following week. NY T-2 stated that he had received from the source whom he declined to identify four publications containing material written by the subject. These publications are "African Heritage" December, 1959; "The American Negro Writer and His Roots"; "Tom Mboya: The World's Youngest Statesman" and "Transition in the Negro Short Story".

NY 97-2204

A review of the "African Heritage" issue of December, 1959 reflects that CLARKE wrote articles containing background information on the city of Timbuctoo, the Emperor of Morocco, 1641-1727, and the Empire of Ethiopia. The "African Heritage" issue of December, 1959 also reflects that CLARKE was a member of the African Exposition Staff which exposition was held at the Coliseum, New York City, during August 6 through 15, 1959.

A review of "The American Negro Writer and His Roots" reflects that this publication was published by the American Society of African Culture and contained selected papers from the First Conference of Negro Writers, March, 1959. The booklet reflects that the subject was a member of the Conference Planning Committee and wrote an eight page article entitled "Reclaiming the Lost African Heritage". This booklet also reflects that CLARKE is the author of the "Lives of Great African Chiefs", "Rebellion in Rhyme" and "The Black Christ" and other stories.

A review of the publication entitled "Tom Mboya: The World's Youngest Statesman" reflects that CLARKE wrote on the background of this African leader. The booklet also reflects that CLARKE has written over a period of time for many foreign periodicals and those of the United States as well. The booklet states that he is presently a staff lecturer on African subjects at the Center for African Studies, New School for Social Research, New York City.

A review of the publication entitled "Transition in the American Negro Short Story" reflects that this is an article reprinted from the Atlanta University Review of Race and Culture. In the article CLARKE comments that the Negro writer had been an oddity and a stepchild in the eyes of critics; however, since the Stock Market collapse of 1929, a new crop of Negro writers has emerged. CLARKE comments there would no longer be weepy sociological propaganda stories written by Negro writers but the material used by Negro writers, with the rise of nationalism and

NY 97-2204

independent states in Africa and the rapid change of the status of the Negro in the United States, would reflect a breaking away from the old mooring.

It will be noted that NY T-1 had previously advised that the subject had been in contact with D. Van Nostrand Publishing Company, Princeton, New Jersey, and the Planned Communities, Incorporated, Princeton, New Jersey.

On September 19, 1961, [redacted] [redacted] D. Van Nostrand Publishing Company, 120 Alexander Street, Princeton, New Jersey, advised SA DANIEL E. BRANDT that he was unable to locate anything in his files concerning the subject. [redacted] stated that it was possible the subject wrote them concerning one of their books or possibly requesting a catalogue and any correspondence of this nature would have been destroyed.

b6
b7c

On September 19, 1961, [redacted] [redacted] Planned Communities, Incorporated, 84 Nassau Street, Princeton, New Jersey, advised that the mailing list of their office contains the name of JOHN HENRIK CLARK, Post Office Box 51, College Station, New York. [redacted] stated a form letter and stock prospectus was mailed to the subject during August, 1961.

b6
b7c

It will be noted that Planned Communities, Incorporated, is an organization engaged in the construction, selling and renting of housing which is available on a non-segregated basis.

On September 20, 1961, Special Agents of the Federal Bureau of Investigation (FBI) observed a male individual resembling the subject wearing working clothes enter the Irving Trust Company branch at 57th Street and Madison Avenue, New York City, at 4:51 P.M.

NY 97-2204

On September 25, 1961, [redacted] previously mentioned, advised that the subject continues to maintain his employment with the City Service Cleaning Contractors. [redacted] stated that a review of the subject's work sheets reflects that he did not miss any work periods during the time prior to or after September 18, 1961. [redacted] stated that the subject is classified as an excellent employee.

[redacted] stated that this additional assignment will terminate as of October 13, 1961. FREEDOMWAYS ASSOCIATES, INC.

The records of the Secretary of State, New York State Department of State, Albany, New York, reflect that the certificate of incorporation of Freedomways Associates, Inc., was filed on March 2, 1961.

The first issue of "Freedomways," spring, 1961, is self-described as a quarterly review of the Negro freedom movement published by Freedomways Associates, Inc., 799 Broadway, New York City.

On May 25, 1961, a confidential source advised that "Freedomways" was set up by JAMES JACKSON, a member of the National Committee, CPUSA, for the CP of the United States with the approval of the CP of the Soviet Union.

On May 24, 1961, another confidential source advised that a report was given on "Freedomways" at a meeting of the National Board, CPUSA, held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

Studies, New York, New York, has any connection with the New School for Social Research, 66 West 12th Street, New York, New York. According to WFO indices, the latter is apparently the subject of Bufile Number 65-6656, and was described by OWEN LATTIMORE in April, 1950, as a private school operated by private funds and some foundation backing. Another reference, undocumented, described it as a "socialist institution." A New York Office memorandum in 1958, undocumented, disclosed that there was no information in New York Office indices at that time indicating that the New School for Social Research, 66 West 12th Street, New York City, was Communist Party-controlled or infiltrated, although there had been many allegations to that effect. Baltimore report of SA RALPH G. MURDY, dated 7/6/53, entitled "OWEN LATTIMORE, ESPIONAGE - R; PERJURY", contained a documentation of the New School for Social Research, describing it as having been "established in 1919 for the purpose of furnishing an opportunity for adults, who had completed school but desired to continue their education, to study under qualified instructors subjects in which they were particularly interested. Many persons who were associated with communists or communist-infiltrated organizations have been connected with the school. However, the faculty is predominantly opposed to communistic principles and it is neither controlled nor influenced by communists". The source of this information was shown on the administrative pages of that report merely as the report of SA NICHOLAS J. ALAGA, dated 4/29/42, at New York City, entitled "New School for Social Research, IS - C", Bufile Number 65-6656.

The only other significant reference in WFO indices regarding the NSF SR was shown to be located in New York Office File Number 100-21281-6. The information was received by SA J. S. JOHNSON on 4/14/41. The source was described as "Letters of S. V. CONSTANT, Lt. Col., G.S.C., Executive Officer, G-2, dated 4/10/41". This source, who had furnished reliable information in the past, advised that "the New School for Social Research was founded in 1933 as a haven for European educators (communists) exiled by ADOLPH HITLER". "The curriculum of the school follows the Party line." The source added that the school is advertised in the "Daily Worker", an East Coast communist newspaper.

WFO 97-1552

Due to the absence of additional identifying data, no effort was made to include the foregoing information in the attached report.

From the contents of this report, it is apparent the correspondence received by subject from [redacted] Democratic National Committee, 1730 K Street, N. W., Washington, D. C., concerned itself with the forwarding of subject's resume to USIA in connection with his proposed employment.

Reverend ASHBURN stated that CLARKE told him that he joined the Communist Party (CP) in the 1930s but broke with them and left the CP in 1942 and went into the service. Reverend ASHBURN advised that CLARKE hates the CP with a bitter hate ever since he was disillusioned about their feelings toward the Negro. Reverend ASHBURN advised that CLARKE is interested in the Cuban situation because he feels the Cubans would win over the CP influence in the final analysis.

Reverend ASHBURN advised that he felt CLARKE would not do anything subversive, as on one occasion CLARKE said to ASHBURN "The United States is one place where a man can be free", and on another occasion told Reverend ASHBURN that if there were a war with Russia, he, CLARKE, would be the first one to get a gun to fight them.

Reverend ASHBURN described CLARKE as kind and gentle and one who is dedicated to a cause. He stated CLARKE liked to talk with Mrs. ASHBURN, who died several months ago, as she was born and raised in Africa by her missionary parents and came to the United States when she was 14 years old.

Reverend ASHBURN advised that several years ago he saw CLARKE get rid of a roommate because of the roommate's beliefs in the CP.
